APA Style - Official Site APA Style CENTRAL has been developed for academic institutions by the American Psychological Association, the creator of and authority on APA Style, and features full integration of the APA's best-selling and widely adopted Publication Manual of the American Psychological Association. The Publication Manual of the American Psychological Association is the style manual of choice for writers, editors, students, and educators in the social and behavioral sciences. It provides invaluable guidance on all aspects of the writing process, from the ethics of authorship to the word choice that best reduces bias in language. Although it is specifically designed to help writers in the behavioral sciences and social sciences, anyone who writes non-fiction prose can benefit from its guidance.

Publication Manual of the American Psychological Association is the style manual of choice for writers, editors, students, and educators in the social and behavioral sciences.
